## President's Report

Happy 30<sup>th</sup> Birthday to us all, for those of you who weren't here on the 23<sup>rd</sup> October, the Club celebrated its 30<sup>th</sup> anniversary.

Thanks to everyone who made it such a success. I think we all left a few kilos heavier, either from the cake and BBQ or just from all the goodies in the welcome pack.

From what I saw and from talking to some of the Judges of the Members Completion we had a very high standard in all rings. Congratulations to all members who took part.

Walking on the grounds now it's hard to believe that just a few weeks ago we all needed to wear gumboots to get anywhere.

Now that the rain seems to have stopped and the ground has dried out, we will be able to install our new water tanks – isn't it always the way!!?

The year seems to have just flashed by with only 4 training sessions left before we break up for our Christmas break. Just a small reminder that with the hot weather coming that during the day our dogs need free access to water and shade.

Also if you like your sport loud and fast, then don't miss the Supercoat Flyball Nationals being held at the Dandenong Show on the 13th & 14th of November.

Our club (heavy on the Flyball) is the organizing club this year.

*Stephen Pearson*

## Secretary's Report

I'd like to extend a BIG thank you to everyone who helped out at the Clubs 30<sup>th</sup> Birthday Celebrations on the 23<sup>rd</sup> October. 30 years is a great achievement for any club, but for a club which is run solely by volunteers, it is a huge achievement. There are many people that have made this possible over the years. Everyone who gives up their own personal time to help the club in any way they can. Some people are able to commit more time to helping the club than others, but I value everyone's contributions equally as they all have a great impact on the running of the club.

Many of you may not realise the time and effort of many people who do a lot of work behind the scenes to help the club out. These include doing talks to new handlers at Puppy Classes run at vet clinics within the community. Dropping off and picking up pamphlets from the printers. Ordering Stationary items and buying stock and picking it up for the canteen, sometimes arriving early at the club on a Saturday to take delivery. The weekly banking, when the Treasurer tells you that it is only a small deposit this week but he fails to tell you that it is all in coin and the bag weighs a TONNE.

Then there are the people who pick up prizes for our raffles and other little nick knack items. The lovely BBQ we have been running at the end of the month, and special occasions. The time spent ordering all the meat, picking it up and getting bread. The emergency runs back to the shops half way through the day when we have run out and need more. Our Web Master; who keeps all our members and potential members up to date on the website and now via email. The canteen helper; who is always there rain, hail or shine with a pie and a cuppa for everyone. The people who drop in during the week to do little maintenance jobs around the ground and the clubrooms. The newsletter editors; who spend countless hours surfing the net for information and then putting the newsletter together for us all to enjoy. The Shop Staff, who makes sure our orders are met and we have enough stock on hand for new members days etc. The Sub- Committees of Obedience, Flyball and Agility; that meet on a monthly basis to discuss their discipline and new training techniques, organising Obedience Trials, Agility Trials and Flyball Competitions each year, as well as members competitions for everyone. The Instructors of Obedience, Agility and Flyball; who give up their Saturday each week to help train other people and their dogs. The people behind the trophies and awards handed out to members who receive titles during the year, and also members who achieve recognition at a club level. The countless emails sent making enquiries about all matters that effect the club. Meeting with Council officers, attending Planning Meeting and Council Meeting on issues that affect us. The main Committee who meet on a monthly basis to discuss the running of the club and organise events like the Clubs Birthday for all members to enjoy. There are approx. 70 + Volunteers at our club, some of these people you would see on a weekly basis at the club, but others not as often. But, without every one of them we would not have made it this far. Everyone's contribution to the club is equally valued and they are all an asset.

Last but not least, you as members. Without members we have no club. You are all what makes our club stand out from many others. We have passionate members who love and value their club. With this, we are sure to be here for another 30 years.

Thank you to everyone who helped celebrate this milestone, and congratulations to all the winners in the member's competition and our Monster Raffle. We hope you all had a great day and your dogs enjoyed their birthday cake too.

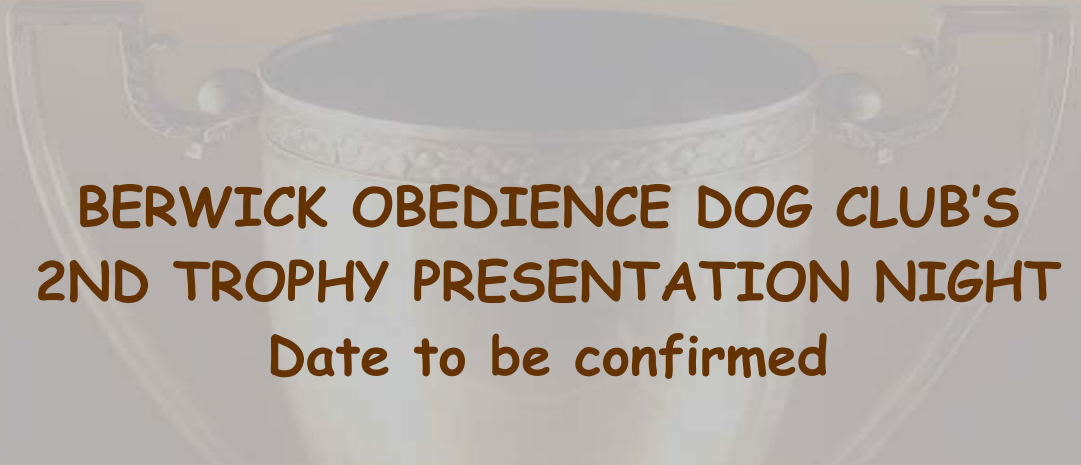

Now the birthday is over, our next event is the Christmas Family Fun Day on the 4<sup>th</sup> December. Remember to mark this date in your diary and let the kids know the jumping castle (with the slide) will be here from 12.30 until 3.30.

See you all there,

*Melissa Scott*

# TRACKING DOG TITLE

## Marksman Mylaminitt TD

Miley commenced her tracking career at Hastings trial in June, along with her sister —Tango and brother — Tarkyn. Miley's test 1 started off very interesting because I was the tracklayer and when the steward Sue and I arrived at the paddock we found that the only flag still standing was the start flag. Great this would be fun as we were the first track out for the day and dawn had just begun to break.....how were we going to lay this track when we couldn't see where it went.....after a quick drive around the paddock we worked it out and I managed to get the track out.

Miley was ably handled by her "Nanny"—Judy Pillinger who did a wonderful job with this wicked child of mine.....who loves to eat poo and growl at funny flags blowing in the nearby paddocks. The report from Nanny was Miley got off to a lovely start, took her turns well and after some encouragement to stop growling at the flags in the next paddock she finally decided that finding Mummy seemed more important. Miley passed her test 1 with a grading of Good.

Test 2 took a couple of goes as her first test 2 at Bendigo was interrupted by her dancing with the locusts and getting a fright from a spooky dead fox, staring back at her. When Judy told me what she had been up to on this track all I could do was laugh, because I could just imagine this funny little girl, jumping around and dancing with these unusual insects that she had never seen before. So we had another try at test 2 at Inverleigh and she managed to pass this time with a grading of Good. Miley sure enjoyed her poo party along the first 2 legs of her track and missed the first article, but she blitzed the final 400m and smothered me in kisses (yuk!!!).

Test 3 was at the final trial we could attend for the year which was the DOGS Victoria State Tracking Trial at Dromana. Miley was a little slow to start but once on the track she was just great, indicating both articles and every muddy pool on the track. I followed along behind as Judy has continued to handle Miley for me (due to a second shoulder surgery I required in late June.....Dobes and my shoulders don't mix), and I was thrilled to bits when we got to the tracklayer and Miley moo had passed with a grading of Very Good.

We couldn't have done it without you "Nanny", and we're as proud as punch to have the pleasure of being owned by one of your beautiful Marksman kids. Looking forward to next Tracking season !!!

## YELLOW BANDANAS

The Berwick Obedience Dog Club has available **Yellow Bandanas** to identify dogs that may need a bit of space around them.

*The reason for needing one could be:*

- Nervousness
- Recovery from an operation (i.e.: convalescing)

- Unsociable to people or other dogs

*When approaching a handler and dog with a yellow bandana, we should:*

- ♦ Be respectful of their space
- ♦ Ask the handler if they are happy to socialize with your dog

When approaching a yellow bandana dog please make sure your dog doesn't go running up to it freely, just as the handler of the yellow bandana dog should be mindful of the space around their dog at all times.

Quite often handlers of yellow bandana dogs have put a lot of work into dealing with specific problems with them, so it would be disappointing if all their hard work was lost.

So if you feel your puppy needs to be given their own space, then go to the office and obtain a bandana for the day. Please return them when you have finished, so that other puppies can have their turn. This is not something the BODC is forcing on handlers as it is your choice and for the wellbeing of your dog/puppy.
