**** IF POSSIBLE SMALL CHANGE & NOTES
WOULD BE APPRECIATED****

President's Report

Looking back over my three years as President the first thought I have is just how fast the time seems to have gone. As a club we have faced some hurdles during this time and most of them seem to have been external (but with common sources) and not very helpful to the actual day to day running of the club. But with input and help from within our Membership we have been able to draw on skills and abilities that have enabled the club to deal with these issues and move ahead in a stronger position.

I need to do a BIG thank you to, Committee, Instructors, everyone that has helped out during the year and lastly to you the members that turn up week after week to enable the club to achieve its aim of people learning and spending time with their dogs.

When you first joined you might have had some idea of what you wanted to learn / teach your dog. Have we enabled you to reach your goals or not? Our instructors are good, but with your help we would like to make them even better.

One way for us to do this is for you to give Instructors and Committee feedback as to what we are doing that you like (so we can keep doing it), what we are not offering (so we can see if we can) and lastly but the most important is what we are doing that is below your level of expectation (so we can correct it)

The club has recently purchased (using funds from the chocolate drive) a hydro-bath to give your dogs a quick rinse of the little bit of mud that they might collect while training.

Come the warmer months we will be able offer its use to you to use for a full wash.

Some dogs are not used to being in a hydro-bath and need to be 'trained' before they feel happy about staying in it. If you have one of these dogs please try to come outside of the rush at the end of each session, so we can spend more time with you and your dog

Lastly a reminder that with the warmer / dryer weather (coming) that we there will be an increase of members turning up for training and this will put pressure on parking.

So when parking could you please leave as little gap as possible between cars.

I leave you with the thought that one day you will come to club and take home a clean dry dog.

Stephen Pearson

President

Berwick Obedience Dog Club Inc.

HAVE YOU LOST SOMETHING?

Take a look in our lost property box in the clubrooms.

ANNUAL GENERAL MEETING

WHEN: 7.30pm, Monday, 5 September 2011
WHERE: BODC Clubrooms,
NARRE WARREN NORTH VIC 3804

VOTING: Clause 16 of the Berwick Obedience Dog Club Constitution (The Constitution) deals with voting at general meetings.

Your vote must be given personally. You are eligible to vote at the annual general meeting if, on Monday, 5 September 2011, you:
are 18 years or over,
are a financial member of the club, and
Have been a financial member before 1 April 2011.

TRANSACTION OF SPECIAL BUSINESS: Sub-clause 9(5) of the constitution deals with the transaction of special Business at an annual general meeting. In accordance with that rule, notice is hereby given that the following motion will be voted on at the annual general meeting.

Motion One: That the BODC introduce a Service Medal, in place of Life Membership (Motion 2) - to formally recognize people who have made a major contribution to the Club.

Outstanding Service could be shown through:

Service excellence to club members and/or the wider community;

Innovation in training programmes or project developments;

Leadership, including as a member of a team; or

The achievement of more efficient processes or better services for members. **Long Service should not be used as a basis for making nominations.**

The Service Medal:

Can be awarded to anyone who is a member of the Berwick Obedience Dog Club.

Is NOT reserved for club officials - it is open to all members of the BODC Club.

Can be awarded more than once to a member.

See Document Hand Out at the AGM for more information and Criteria

IF MOTION ONE IS PASSED, THEN MOTION TWO BECOMES WITHDRAWN.

Motion Two: That the BODC add another class of membership to the club- Life Membership (Honorary).

-Amend the Constitution to offer and reflect the requirements to award Life Membership

- Insert in Section 4(1)

(e) Life Membership (Honorary)

(f) Any other class of membership

-Insert a new section under - Section 4(14) (1)

Life Membership can be awarded to those few who have preformed an ongoing outstanding service above and beyond what would normally be expected from a member.

Before Nominations can be accepted, the Nominee must qualify for Life Membership by:

Being a Financial Member of the BODC for a minimum of 15 years, plus minimum of six years in specific roles that contribute to the benefit of the club and a minimum of three years on the Committee of Management.

Able to show a level of contribution above the normal level required in a position, which must be clearly documented and corroborated.

All Nominations must be completed by following the process outlined in the BODC Club Rules - Nominating a Member for Life Membership (Honorary)

Members must be nominated by a Financial Member of the Club. Nomination must be submitted to Committee prior to the first meeting in May of that year. The Committee will clarify and vote on recipients of the award each year. The Nominee will be notified and a Life Membership will be awarded at the BODC Birthday in October of that year.

The entitlements of a Life Member include:

Annual Fee's waived, and shall be entitled to vote at General Meetings and hold an Office Bearing Position on Committee.

Please note that a copy of the constitution is available in the clubrooms.
If you have any questions regarding this notice please contact me on (03) 9799 4895.

Melissa Scott

Melissa Scott
SECRETARY

Please note that wine, cheese and fruit will be served at the conclusion of the meeting.

Introduction

The first documented agility "demonstration" was held at Crufts in the late '70s. The demonstration's creator borrowed from police and defence force dogs' training, and from horse showjumping. By 1980 it was recognised officially as a "dog sport" in the UK, and expanded rapidly to the US, Canada, Europe and Australia. The object is for the dog to negotiate a "course" of obstacles without fault, with the placings decided on the fastest times for a clear run.

What are the obstacles?

Jumps : Tyres, bar jumps. spreads & broad jumps

Tunnels: eg flexi

Contacts:

- A-frame (steep ascent/descent)
- Dog walk (shallower ascent, long straight plank, shallower descent)
- See-saw (up, tip, down)

Table: (on, pause, off)

Weave poles:

Set of poles, usually 12, set at an even distance. The dog has to weave through each gap to negotiate the next pole on the other side.

When can I start my dog?

It is generally accepted that a dog shouldn't start over obstacles until they are at least 12 months old, and not do excessive "work" until they are 18 months to 2 years. However teaching the dog to negotiate obstacles (with the exception of the weavers and sometimes the contacts) is usually the easy part – directing the dog around the course is the difficult bit. The "foundation" training which will lead to both handler and dog learning the directional cues can begin at any age.

I'd like to do agility, but I don't think I would ever compete?

Many of our class participants at Berwick do it for their own and their dog's enjoyment, while others do participate in trials. Even if you are doing it "just for fun" your dog will enjoy it a lot more if you can be clear and consistent with your "cues" so classes are structured to give you those skills whether you wish to trial or not.

Frequently Asked Questions continued.

How high will my dog have to jump?

Each course in a trial is run at 5 different heights, the height at which a dog runs depends on their height at the shoulder. To trial you have to have an "official" measurement, but for club purposes we will do an informal measurement and your dog won't be expected to jump beyond their "official" height. However when you start jumps are very low to encourage confidence in the dog.

Can any type/size of dog come to class?

Yes. More important is that the dog is physically sound, healthy and not overweight.

How often would I have to train my dog?

Like any training with your dog little and often is the best formula. If you can spend 10-15 minutes 4 to 5 times a week it will be enough to progress.

Will I need my own equipment?

Everyone starts with no equipment. If you enjoy the training you will probably want to construct some basic equipment – jumps and weave poles can be fairly easily "created". If you become more serious you may wish to purchase some equipment, or if you have the resources, to make it. For most people regular training at club combined with some "home built" equipment is enough to reach reasonable skill levels – many of the skills are developing handling skills which can be done without sophisticated obstacles.

What are the requirements to join the class?

To start participating in the Pre agility class your dog must be in at least "Yellow" class and be able to work with a "loose lead". You must start you start with a "Preparations skills – pre-agility" class which will give you exercises to practice with your dog to prepare it for agility, you are welcome to bring any dog over 6 months to a foundation class. (This requirement may be waived if you have completed a similar

BERWICK FLYBALL RACING TEAMS

Training Times

Team Training:
(Currently being held offsite due to wet conditions)

11.00am-12.00pm

Intermediate:
12.30pm-1.00pm

Beginners:
1.00pm-2.00pm

We are soon to begin our next competition season. Flyball competitions are very exciting to watch and when held at events such as shows, draw a large number of spectators. Comps are noisy and exciting with dogs and handlers competing to be heard. If you have the opportunity, come along and see this sport in action!

Upcoming Competitions:

"On the Fly" Frankston Obedience dog club: Saturday 10.09.11

"Pets Day Out" Ballam Park, Frankston: Sunday 9.10.11

Geelong Show: Sunday 16.10.11

"Euroa Flyball Euphoria" Euroa Show: Sunday 22.10.11

"Dandy Drags" Dandenong Show: Saturday 12 & Sunday 13th November 2011

"Lilydale Flyball" Lilydale Show: Sunday 20.11.11

"Santa Ball" Ballarat Dog Club: Saturday 3.12.11

Beginners Flyball

Over recent months, a lack of instructors has meant that there is only one instructor to run the beginners class each week. Due to its nature, early flyball training is very much a one on one process. This has led to some waiting time for beginner dogs. We have now made some changes to the instructor roster to ease this process. There will now be two instructors on each week and each instructor will attend two weeks in a row to allow for more consistency for beginner dogs and handlers.

To attend a beginner flyball class, your dog requires a good recall. Flyball is an off lead sport, so when off lead and you call your dog, it is important that he/she returns straight to you. Please talk to an instructor (Obedience or Flyball) if this is an issue for you and your dog.

YELLOW BANDANAS

The Berwick Obedience Dog Club has available **Yellow Bandanas** to identify dogs that may need a bit of space around them.

The reason for needing one could be:

- Nervousness
- Recovery from an operation (i.e.: convalescing)
- Unsociable to people or other dogs

When approaching a handler and dog with a yellow bandana, we should:

- ♦ Be respectful of their space
- ♦ Ask the handler if they are happy to socialize with your dog

When approaching a yellow bandana dog please make sure your dog doesn't go running up to it freely, just as the handler of the yellow bandana dog should be mindful of the space around their dog at all times.

Quite often handlers of yellow bandana dogs have put a lot of work into dealing with specific problems with them, so it would be disappointing if all their hard work was lost.

So if you feel your puppy needs to be given their own space, then go to the office and obtain a bandana for the day. Please return them when you have finished, so that other puppies can have their turn. This is not something the BODC is forcing on handlers as it is your choice and for the wellbeing of your dog/puppy.

MEMBER'S EMAIL ADDRESSES

The club would like to be able to contact members using email, this will save the club money when we need to post information and make it easier to keep you informed about special events. We are VERY conscious about privacy issues and when we send email we do not disclose your address to anyone.

The club does NOT pass on or sell any identifying membership data.

To help us out with keeping email addresses accurate and up-to-date, we'd like all members to send an email to emailconfirm.bodc@mailingaddress.org (from the address you want us to use) with the single word "email" in the subject line and your membership number (e.g. 09/XXX) AND your full name in the body of the email. (We have many members with very similar names – so we need to ensure we've got the right member)

If at any time for any reason you want your email address removed from our data base it's just as easy - send an email to: emailremove.bodc@mailingaddress.org (from the address you want removed) with the single word "remove" in the subject line and your membership number AND full name in the body of the email.

Has your dog recently suffered an injury or had surgery? Are they living with a chronic condition such as arthritis? Is your dog fit, healthy and active but you want to optimise your canine's athletic performance? Or do you just want to ensure the best for your canine companion. If so, then why not try Canine Myofunctional Therapy (CMT)

Benefits:

- ☐ Increase flexibility
- ☐ Enhance performance
- ☐ Improve muscle function and tone
- ☐ Reduce pain and discomfort
- ☐ Promote circulation
- ☐ Improve socialisation
- ☐ Enhance health and wellbeing

K9 Therapeutics:

- Provides professional, therapeutic canine massage
- Offers a fully mobile service
- Flexible appointments
- Services the eastern suburbs of Melbourne, Yarra Valley and Dandenong Ranges

Fees:

- Initial consultation and massage \$70
- Therapeutic Massage \$60
- Discounts available to club members

For more information and to arrange an appointment contact:
