

# BERWICK OBEDIENCE DOG CLUB - RED CLASS REMINDERS

## DROP

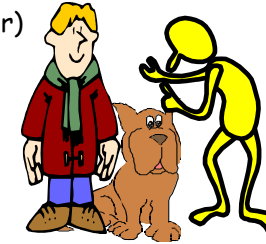

(with food - Informal stand)

Place food in your hand and draw it past the dog's nose, while giving the **COMMAND - DROP**. Your hand rests on the ground between the dog's front feet. If required place your left hand (with lead) on the dog's shoulders

## SIT FOR EXAMINATION

(by Instructor)

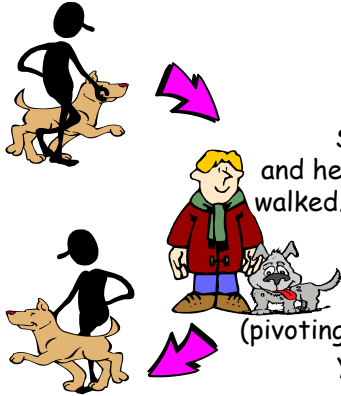

Dog sits beside handler. Instructor approaches the dog and pats it. Handler to keep dog's attention with either corrections, food or voice.

## RIGHT ABOUT TURN IN FREE HEELING

Similar to a right turn, but you turn and head back along the same line you have just walked. Take a short pace with the **LEFT FOOT** to warn the dog of the change.

**COMMAND - HEEL.**

On the spot turn around (pivoting on the **RIGHT FOOT**), then step off with your **LEFT FOOT** and keep walking.

## LEAVE IT

(With food)

With dog sitting at **HEEL** as instructor places food on the ground in front of the dog

**COMMAND - NO**  
or **LEAVE IT**

When your dog relaxes and looks at you. Reward is given by the handler not from the ground

## SIT STAY FROM HEEL

Start with your dog in a sitting position.

**COMMAND - STAY.**

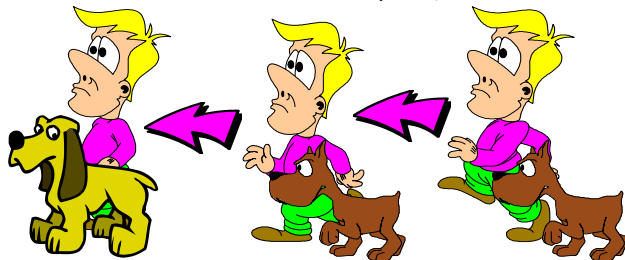

Step off on the **RIGHT FOOT** and pivot to face your dog.

If necessary hold the dog's head or shoulders to keep it in position.

## STAND - (with food)

Walking along with your dog. As you bring your **LEFT FOOT** up to the **RIGHT FOOT** you come to a stop. You then place your **RIGHT HAND** on the dog's chest or under the dog's chin to stop its forward motion using the **COMMAND - STAND**. Dog stops next to your left knee. Reward with food.

## WATCH ME

With dog in a **SIT STAY** use voice, dog toy or food to attract dog's attention. **COMMAND - WATCH ME** Praise when the dog looks at handler.

## RECALL FROM SOCIALISATION

With dog's relaxed and socializing. You get your food out ready. Instructor - "Call your dogs" - You run backwards reeling in the lead and holding out your piece of food/toy. As your dog follows you use the food/toy to lure them to you. You can feed, praise & touch their collar and use your release word. Later you can add a **SIT COMMAND** to get your dog to sit in front.
